Property repairs and insured perils.

Withers are essentially thought of as subsidence and underpinning contractor, however our family business is split into:

Insurance repairs – all perils and Foundation solutions.

We operate with three partners to provide a building repair service in the M25 area Home Counties, the South west and North east corner of the UK.

Our partners are linked to Withers through a unique Web based, proactive job management system called withersnet.

Client can assess their jobs with a login and password through www.withersnet.net

Minimum contract is around £5000 depending upon type of works and maximum approx £250,000.

Recent examples of works completed are:

Fire –refurbishment in Harrow, contract value £70,000.

Repairs following subsidence in Newbury, contract value £ 89,000.

Water damage claims Gloucestershire, various values following the Floods of 2007.

One example of our work:
